G. Phillips & Sons, LLC

101 Forest Street

Stanwood, Iowa 52337

### ***Program Rules:***

Containers **MUST** be triple rinsed, clean and dry. Only dry, residue-free rinsed containers are accepted at collection sites.

Only HDPE (resin code #2) plastics are collected. All sizes up to 55-gallon drums.

Containers that are labeled for crop protection, animal health, forestry, vegetative management, and specialty pest control are all acceptable. Home and garden protection products are **NOT** acceptable.

Caps and rubber linings are not accepted and must be disposed of as normal solid waste. Labels and attached booklets must be removed.
