FREQUENTLY ASKED QUESTIONS

Q: What do I need for testing my water?

A: A water sample kit – (sample bottle and submission form). The **Water Test Kit Order** form can be downloaded from the ISDH Lab website at www.in.gov/isdh/24550.htm.

Q: What can I test my water for?

A: Bacteria (coliform); Fluoride; Total Nitrate; Metals (Arsenic, Lead, Copper); Radionuclides and Arsenic Speciation, unless n/a.

Q: How do I obtain a water sample test kit?

A: The water sample test kit(s) can be shipped to your location; or picked up at the ISDH Laboratories, Monday thru Friday between 8:15am and 4:30pm, except State holidays.

Q: What is the cost for a drinking water test kit?

A: Unless you are exempt, the cost is \$10.00 (Bacteria, Fluoride, and Total Nitrate) per sample kit + \$6.50 shipping and handling for the entire order [IC 16-19-8-2]. Metals kits are \$20.00. Radionuclide kits are \$100.00. Arsenic Speciation kits are \$80.00. Pool kits are \$15.00.

Order Example: 4 Bacti kits and 2 Metals kits plus shipping is $80.00 + 6.50 = \$86.50$.

There is no shipping charge for kits picked up at the ISDH Laboratories.

Q: Can I pay for only a Lead test kit?

A: **No.** One test kit includes all three Lead, Arsenic and Copper for \$20.00.

Q: Can I use this kit for EPA's Lead and Copper Rule compliance monitoring?

A: **No.** This kit is not designed for public water systems for compliance monitoring.

Q: Do I get a receipt for my water test kit purchase? Is payment required with the sample?

A: **No.** All pre-paid orders are stamped "**PAID**" in red on the upper left of the submission form. Only original forms with bar-code labels are accepted. **NO COPIES.**

No. Once you have paid for the sample test kit no additional money is due.

Q: How soon after ordering will I get my order?

A: Expect delivery within three (3) business days after receipt of the Water Test Kit Order form and payment. **Please note:** The ISDH Laboratories ships kits by UPS only.

UPS does not deliver to P.O. Boxes, only to street and road addresses.

Q: I sent in a water bacteria sample and was told it was too long in transit. Do I need to pay for another test kit? ***Do not ship the day before an upcoming State holiday.***

A: **Yes.** Shipping instructions are on the bacteria submission and information forms included with the kits. Bacteria samples must be analyzed within thirty (30) hours of collection.

Q: I have received the water sample kit, but have questions about testing. Who do I contact?

A: Call 317-921-5874 and you will be directed to the lab area that can answer your questions.
